

# Juralco Louvrelite® 88 Series Roller Shade Systems

## BPIR Declaration

Version: 5-23 v1

---

### Designated building product: Class 2

---

### Declaration

Home and Outdoor Ltd trading as HomePlus Northland Louvre Roofs has provided this declaration to satisfy the provisions of Schedule 1(d) of the Building (Building Product Information Requirements) Regulations 2022.

---

### Product/system

Name	Juralco Louvrelite® 88 Series Roller Shade Systems
Line	
Identifier	

---

### Description

The Juralco Louvrelite 88 Series Roller Panel Systems come in two types:

1. A Framed Bottom Roller or Top Roller system featuring Pivoting louvres, Static Louvres, and slats.
2. Panels up to 1.5m wide and 2.7m high sliding in tracks.

The system is especially suitable for high-end Residential and Apartments, to provide a Sliding Shade System, in a variety of powder coated colours.

---

## Scope of use

Appropriate for residential and commercial applications.

This specification details the documents the Juralco Louvrelite® 88 Series Roller Shade System refers to, in relation to the New Zealand Building Code, the manufacturer's documents, products used in the System and requirements in relation to fixing and surface finishings.

---
