BPIR Declaration

Version: 11-22 v1

Designated building product: Class 2

Declaration

HomePlus Canterbury (2014) Ltd trading as HomePlus Christchurch has provided this declaration to satisfy the provisions of Schedule 1(d) of the Building (Building Product Information Requirements) Regulations 2022.

Product/system

Name	Juralco® Glaslide® Frameless Glass Sliding Panel System
Line	
Identifier	

Description

The Juralco Glaslide Frameless Glass Sliding Panel System is fitted with 10,12 or 15mm Toughened Glass and is available in 2,3,4 or 6-door configurations running on multiple tracks. A Magnetic latching system automatically locks all the doors in the closed position in a single movement. Glass panels max 1.1m wide and 3.0m high depending on Wind Zone, Panel height and Glass thickness. The system is especially suitable for high-end Residential, to provide a Sliding Panel Wind Protection System.

Scope of use

The installation manual details the documents the Juralco Glaslide Frameless Glass Sliding Panel System refers to, in relation to the New Zealand Building Code, the manufacturer's documents, products used in the System and requirements in relation to fixing and surface finishing.

Glaslide Frameless Glass Sliding Panels are a permanent outdoor living system providing weather protection in a range of outdoor areas including patios, decks, extended courtyards, pool areas, cafe and bar courtyards, outdoor shopping areas etc.

Glaslide® glass doors ideal for windy locations (conform with NZS 4223.3.2016) Glass doors in 10mm, 12mm or 15mm thicknesses – maximum width and height determined by locations wind pressure.
